nasommelier.com

The North American Sommelier Association is a non-profit organization, dedicated to providing education, training and appreciation to wine professionals and enthusiasts. Headquartered in Los Angeles, NASA has chapters across the United States and Canada.

Courses range from the professional level Silver Pin Sommelier (curriculum of the WSA/AIS), Italian, American and Spanish Wine Specialist certifications, Master courses in Terroir, Service, Olive Oil, Bordeaux, Cognac, Rioja and more.

NASA is distinguished by a focus on classroom teaching methods, with a holistic approach - wine, terroir factors, culture, history, gastronomy are presented. Our courses are developed and taught mainly by native teachers of their respective countries.

## PROGRAMS

Silver Pin Sommelier - One year program. Certification issued by Worldwide Sommelier Association. Post-nominal \$3,990 USD
